Dear Elturion Parents

From the Principal's Pen

These words by Napoleon Bonaparte, “Until you spread your wings, you’ll have no idea how far you can fly.” ring truer today in these unknown times than ever before. Our teachers, parents and learners have truly been spreading their wings to the ultimate and for that you all need to be saluted. Thank you for your positive attitude and for the hard work you are putting in to staying in the positive attitude curve of Covid19. You are all an amazing group of parents.

ONLINE CLASSES

As promised we are forever evolving with regard to our capabilities pertaining to online teaching. As from the coming week we will be hosting a variety of more interactive classes via Google Classroom and Zoom. We will also be doing

assessments on either Google Classroom forum or via research projects. A timetable with the assessment dates is attached and will also be uploaded to Google Classroom.

These assessment dates are not merely guidelines, so please make sure that your child adheres to these deadlines. Furthermore it is vital that children not be allowed to sleep in and in so doing miss interactive classes. We will not catch up missed classes due to "sleeping in." School is officially on the go and children must go to bed early and they have to be ready for their classes at the time specified by the teacher. We are going to follow the normal slightly adjusted timetable and times per subject going forward. I will attach the timetable for you as well as posting it on Google Classroom.

The following teachers will be hosting the following Zoom classes;

English Gr 4 – 7 Ma'am Annelie

Afrikaans Gr 4 – 7 Ma'am Ronel

Math Gr 5 Ma'am Mandy

Math Gr 4, 6 and 7 Ma'am Corrie

History Gr 4 – 7 Ma'am Ronel

Geographay Gr 4 – 7 Ma'am Candice

Natural Science Gr 4 – 7 Ma'am Candice

Life Skills/ Life Orientation Gr 4 – 7 Ma'am Corrie

of Google meet for the interactive lessons and others will stick with Zoom. This will be communicated.

The Foundation Phase will continue as they have been doing thus far. We will however schedule an assessment week soon after school has re-started.

ASSESSMENT TIMETABLE

Please see the IP test schedule for the remainder of term 2. The teachers will communicate via Google Classroom with regard to the format of the test/project and the demarcation.

Finally if you have any issues at school, please feel free to contact the relevant teacher so we can sort the issue out. We can only fix problems we are aware of.

Thank you for your continued support, we appreciate every parent and every amazing child. We fully realize that it takes each child, every parent and all our wonderful teachers to make Elturion the best school in the country.

ENJOY A BLESSED WEEK.
