Dear Elturion Parents,

## *From the Principal's Pen*

Welcome to a new term with new challenges and many new opportunities for joy and laughter. God's word tells us to serve him enthusiastically, to sing, dance, play music and set aside special days of joy, food and fellowship. Although we are no closer to the end of this year of more challenges than rewards, it is important to keep up our positive attitude and inner joy. In doing so and serving God with enthusiasm and joy, our joy will become infectious to those around us.

## *Term 3*

As promised school will re-start for term 3 on 7 July 2020 still following the revised online forum until 4 August 2020 when we will be onsite at school.

As from the 4<sup>th</sup> of August 2020 we will follow the following guidelines for onsite school.

Gr R – Gr 3 will have onsite school on a Monday, Wednesday and Friday.

Gr 4 – 7 will have onsite classes on a Tuesday and Thursday. We will also be writing tests on Tuesdays and Thursdays until the end of term 3. Please refer to the test timetable below.

On the days that children are not onsite at school we will be continuing with online classes. I will attach a revised timetable for these days too. The hope is that going into term 4 the whole school will be able to return to full time onsite classes. This can only be confirmed once the Ministers of Education and Health give us the go ahead.

## *Masks, Sanitizer and Shields*

All the masks have been delivered and issued. When children arrive at school they will need to be wearing the mask as well as whenever they leave the classroom. Inside the classroom they will have the option of wearing only the shield and/or the mask. The shield will be left in class and sanitized daily by the class teacher.

All sanitizer must be ordered and paid for by no later than 20 July 2020 in order to ensure that we receive delivery before the commencement of onsite classes. One canister of sanitizer is required per term.

We have two options of shields:

The first is a shield that can be clipped to the Elturion school cap. This is a very durable shield and will not easily bend or break with continuous use. The cost of this shield is R40 each.

The second option is a shield that fits over the head. This is a slightly thinner shield and the cost is R20 each.

Please message the register teacher should you want to order one of these shields for your child. Please note that a shield is not compulsory at this point.

As mentioned in the previous newsletter each child will need at least one sanitizer canister per term. These are not alcohol induced and safer for our children. This will be used to sanitize stationery and tables each time a child leaves his/her desk for whatever reason. The cost of these will be R85 each and orders can be placed with the register teacher.
