Dear Elturon Parents,

From the Principal's Pen

It is such an amazing sight to see all the new blossoms and leaves popping out all around us. This warms our hearts and emotions at the same time. It provides us with new encouragement to try new things, see new blessings.

God's blessings are everywhere, but we need spiritual eyes to see them as His gifts and not merely as luck or good fortune. His blessings come to you every day, in every conceivable form. Success and prosperity are usually not the most common blessings from God, the beauty of creation, peace of heart, joy, spiritual gifts, family, friends, comfort and hope are some of the best blessings He gives to us, his children. The greatest blessing God wants to give us is salvation and eternal life. We just need to ask for it.

So in these difficult times, rest assured in Numbers 6:24 – 26: “May the Lord bless you and protect you. May the Lord smile on you and be gracious to you. May the Lord show you his favour and give you his peace.”

Grab hold of the blessings sent to you by our Heavenly Father and the promises He bestows upon us. Psalm 31:19: “Your goodness is so great! You have stored up great blessings for those who honour you. You have done so much for those who come to you for protection, blessing them before the watching world”.

Financial Commitment

In order to ensure proper financial management of the school, the school is dependent on punctual payment of school fees by parents. We understand and absolutely comprehend the current difficult circumstances, however we still request that parents pay their school fees. This enables us to meet the school's monthly obligations and also the essential COVID-19 requirements. Sincerest thanks to the parents who diligently pay their school fees.

Spring Fever, Spring Fun

The children would have told me that I should have led with this, however I say let's keep the best for last.

Spring is in the air and with this we need to celebrate!!

The Foundation Phase will be having a Funky Mask/Hairdo Spring Day on 16 September 2020 and the Intermediate Phase will have their Funky Mask/Hairdo Spring Day on 17 September 2020. Children may wear civvies and decorate their masks or wear any funky mask as well as creating a funky hairstyle for the day.

Stay Safe and Enjoy the Holiday

Mark 6:31 "It is useless for you to work so hard from early morning until late at night, anxiously working for food to eat; for God gives rest to his loved ones."

Please take this time of rest and use it wisely. Stay safe and enjoy the holiday.

Finally if you have any issues at school, please feel free to contact the relevant teacher so we can sort the issue out. We can only fix problems we are aware of.

Thank you for your continued support, we appreciate every parent and every amazing child. We fully realize that it takes each child, every parent and all our wonderful teachers to make Elturion the best school in the country.

ENJOY A BLESSED WEEK
