Dear Elturion Parents,

From the Principal's Pen

In the words of Joshua 24:15 "Choose today whom you will serve.... But as for me and my family we will serve the LORD." Every day presents new choices. The choice that you can always make – and only you can make it – is to honour God and obey his word. This puts you squarely in the centre of his will and makes you available to serve Him. It is not complicated, but it is a challenge to put God ahead of everything else. Joshua urged the Israelites to worship and honour God alone and to steer clear of the gods of the people in their new land. Each day offers us the choice to serve the Lord.

Let's live the words of Joshua 22:5 "Love the Lord your God, walk in all His ways, obey His commands, be faithful to Him and serve Him with all your heart and all your soul."

AFTERCARE

As you are probably already aware, we are no longer accommodating aftercare children from Hennospark Laerskool. This means that we only have our own Elturion children in our aftercare class. What is very important to take note of is that the classes are remarkably smaller in number. In turn this means that the teachers are now in the fortunate position of being able to assist children individually with their homework. Each teacher also has access to all the grade's google classroom, again providing the opportunity to adequately assist children to finish their homework, taking the pressure off parents who get home late and tired from work.

Thank you for your continued support in making Elturion the best school with the very best teachers in the entire country. Without you as parents we would not be as happy as we are right now with our amazing children. And finally if you have any issues at school please feel free to contact the relevant teacher so we can sort the issue out. We can only fix problems we are aware of.

ENJOY A BLESSED WEEK
