## *From the Principal's Pen*

It may not always be possible to be happy, but it is always possible to have joy. Happiness is temporary because it is based on external circumstances. True joy is lasting because it is based on God's constant presence and comfort. If you base your happiness on circumstances, there will be many times when you will not be happy, however when you trust God with your life, you will begin to understand that your troubles are part of an epic story that has the happy ending of eternity in paradise with God. This knowledge will help you to have joy even in the worst of circumstances.

So with all this said, when challenges that threaten to overwhelm you, you can rest assured that these are the very tools God uses to bring you to greater strength and maturity. He sends some challenges into your life and others He merely allows. As you may endure these times, you develop greater wisdom, integrity and courage to face whatever comes your way. We usually most value those things that we have worked the hardest to attain. Keep faith and press on as we are all passengers of a very fast moving train, however the rewards are immeasurable.

## LOOMING JUNE EXAMS FOR GR 4 TO GR 7

Now that we are reminded that with God we can accomplish great things, it is time to put His word into action. There is less than a month left until the term 2 June exams. Exam demarcations will be sent out on Tuesday 18 May 2021. Please make sure that you are familiar with the exam procedure put out in the school diary. This is also available on the school website. During exam time children may go home after their exam at 10:00. The gate will be locked again at 10:15 and children may then only go home at 12:00. The gate will once again be locked at 12:15 and will only be opened at 13:30. Please adhere to these times as children will be studying if still at school and we do not want to continuously disrupt their concentration. There will be aftercare as usual. On days that the children are not writing an exam they may stay home to study. Full winter school uniform MUST be worn during exams.

Foundation Phase may go home at 12:00 during above mentioned exams.

## WINTER UNIFORM

Fabulous news!!! Parents can now log onto the Woolworths website [www.woolworths.co.za](http://www.woolworths.co.za) to access the online store where you will find the;

- Catalogue of items available for selection
- Availability of items by size and colour
- Choose the location of store of choice for delivery

This means that you can now order the pants (Gr 1 – 7) and skirt (Gr 4 – 7) from Woolworths. The skirt will then no longer have the orange insert.

After much deliberation we have decided that we will bring in winter stockings for the girls who are not comfortable wearing the long pants. These too will be available from the online store, as well as in store. Stockings may be worn with the skirt. Please refer to the website for winter clothing specifications.

## COLDS AND FLU

Please do not send children to school if they are ill. We will not permit children with the slightest sniff or cough to be at school. This is winter and the chances of becoming ill during this time is very high. We are going to continue to be very strict about sanitizing and the wearing of masks at school.

### AFTER THE EXAMS

It is very important to note that school only closes for the end of term on the 25<sup>th</sup> of June. Once the exams are done children HAVE to come to school so that we can go through the exam papers and once that is done we will continue with Term 3's work. We do not know what the future will hold and will therefore make full use of all the time we have at school. Reports will be sent home on the 23<sup>rd</sup> of June and we will host an onsite parents evening on the 24<sup>th</sup> of June 2021. Please email the teachers whom you would like a meeting with so that they can schedule you in a time slot. The time slots will be 15 minutes and starting at 15:00 until 18:30.

### FINANCE

Should there be any queries on the school fees statement please feel free to contact Henk at [finance@elturion.co.za](mailto:finance@elturion.co.za) Please remember to quote your child's name and the account number in the email.

Thank you for your continued support in making Elturion the best school with the very best teachers in the entire country. Without you as parents we would not be as happy as we are right now with our amazing children. And finally, if you have any issues at school please feel free to contact the relevant teacher so that we can sort out the issue. We can only fix problems we are aware of.
