Dear Elturion Parents,

From the Principal's Pen

The exams are virtually upon us and it is vital to ready ourselves for this. Planning is the key to avoiding the stress of the exams. Let us keep Proverbs 2:11 in mind during this period of the term "Wise planning will watch over you. Understanding will keep you safe."

I pray for peace and understanding for each of our learners and parents during this exam period.

CONTACTING TEACHERS DURING SCHOOL TIME

Please note that teachers are not permitted to take calls or answer messages during class time. I understand that parents need to message a teacher however, teachers will only answer, either after school or, time permitting during break. Thank you for your understanding.

Thank you for your continued support in making Elturion the best school with the very best teachers in the entire country. Without you as parents we would not be as happy as we are right now with our amazing children. And finally, if you have any issues at school please feel free to contact the relevant teacher so that we can sort out the issue. We can only fix problems we are aware of.

ENJOY A BLESSED WEEK

MANDY MULLER
